CAMBRO
TRUSTED FOR GENERATIONS™

Storage Select

Foodservice operators all over the world believe deeply in the value of Cambro products to help them store, deliver and serve food safely to their customers.

Cambro “Storage Select” BPA-Free (Bisphenol-A Free) products are available for customers who are interested in products deemed BPA-Free.

Storage Select BPA-Free products are made from FDA-approved resins that allow us to retain the benefits customers have come to expect from Cambro commercial quality food storage containers: clarity, durability, and commercial dishwasher-safety.

“At Cambro, every product design decision is based upon the core principle of food safety.”
